

DIGITAL MAPPING – SUPPLEMENTAL INFORMATION

The following is a list of the significant river basin mapping information available in layers in the *AutoCAD* drawing files. Some of this information was not printed on the hard copy maps due to clarity. The *AutoCAD* files are included on the enclosed disk.

- i) Cities
- ii) Towns
- iii) Villages
- iv) Major Rivers
- v) Streams
- vi) Lakes
- vii) River Basins
- viii) Sub Basins
- ix) Township Grid
- x) Provincial Electoral Boundaries 2004
- xi) Potential Storage / Diversion Sites
- xii) Existing Storage / Diversion Sites
